	Date of Monday	7.8.17	14.8.17	21.8.17	28.8.17	4.9.17	11.9.17	18.9.17	25.9.17	2.10.17	9.10.17	16.10.17	23.10.17	30.10.17	6.11.17	13.11.17	20.11.17	27.11.17	4.12.17	11.12.17	18.12.17	25.12.17	1.1.18	8.1.18	15.1.18	22.1.18	29.1.18	5.2.18	12.2.18	19.2.18	26.2.18	5.3.18	12.3.18	19.3.18	26.3.18	2.4.18	9.4.18	16.4.18	23.4.18	30.4.18	7.5.18	14.5.18	21.5.18	28.5.18	4.6.18	11.6.18	18.6.18	25.6.18	2.7.18	9.7.18	16.7.18	23.7.18	30.7.18
	Month	August				September				October				November					December				January				February			March						April				May				June					July				
	SW							1	2	3	4	5	6	7	8	9	10	11	12	13	14		15	16	17	18	19	20	21	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24
Innovation and Knowledge Management	A1											A1																																									
Leadership	A2										A2																																										
Business Management	A3																																			A3																	
Communication and Market	A4																																										A4										
Society and Politics	A5																									A5																											
Quality Excellence	T1																											T1																									
Nutrition and Nutrition-Related Chronic Diseases	T2																																											T2									
Applied Statistics	T3												T3_AS																								T3_SS																
Data Management and Visualisation	T4																							T4																													
Biodiversity	T7															T7																																					
Cellular and Molecular Physiology	T8																																							T8														
Natural Substances	T10																																T10																					
Sustainable Development in Natural Resource Management	T12																		T12_AS														T12_SS																					
Materials Science	T13												T13																																								
Polymers and Applications	T14															T14																																					
Modelling of Complex Systems	T15																													T15																								
Sustainable Sourcing, Processing and Tracing of Food	T16																																							T16														
Management of R&D Projects	T17								T17																																												
Life Cycle Assessment	T18																		T18_AS																									T18_SS										
Logistics, Supply Chain and Network Management	AF-11																											AF-11																								B.2.63		
Consumer Behaviour, Markets and Trade	AF-12								AF-12																																										B.2.63		
Corporate Responsibility, Quality Management and Traceability	AF-13																														AF-13																				B.4.01		
Expansion of Personal Scientific Knowledge	AF-21																																																		variable		
Holistic Assessment of Production Systems	AF-22																														AF-22																				B.2.63		
Optimisation of Production Systems in Agriculture and Forestry	AF-23																																				AF-23														B.2.63		
Advances in Agricultural Sciences	AF-24																																																		variable		
Current Topics in Applied Agricultural Research	AF-25																																																		variable		
Policies and Institutions as Drivers for Development and	AF-32																																				AF-32														B.4.01		
Rural and Regional Development in Practice	AF-33																																											AF-33							B.4.01		
International Forestry	AF-41										AF-41																																								B.2.63		
International Management in Forestry (*)	AF-42																		AF-42																																	B.2.63		
Applied Research in Natural and Social Sciences	AF-01																																											AF-01							B.2.63		
Knowledge Management and Transfer in A&F	AF-02															AF-02																																				B.2.63		
Integrated Natural Resources Management and Climate Change	AF-03					AF-03																																														B.2.63		
Land- und forstwirtschaftliche Produktion in Bergregionen	AF-51													AF-51																																					A.2.01		
Naturgefahren und Risikomanagement	AF-52													AF-52																																					A.2.01		
Analysis of Spatial Data - GIS	AF-53															AF-53																																				A.2.01		
Leadership and Human Resources Management	AF-54																AF-54																																			B.2.63/A2.01		
Integrale Fallstudie zu Naturgefahren, Forst- und Landwirtschaft	AF-55																							AF-55																											A.2.01		
																																																				Room		
Quartals BSc								Q1									Q2							Q2						Q3									Q4					Q4									

Christmas Break

Color code

- Entrepreneurial Skills (full week)
- Generic Advanced Life Science Skills (Th/Fr)
- Food Cluster Advanced Life Science Skills (Th/Fr)
- Environmental Cluster Advanced Life Science Skills (Th/Fr)
- Industrial Cluster Advanced Life Science Skills (Th/Fr)
- AF-Modules, full-power (Mo/Tu/We)
- AF-Modules, half-power (Mo/Tu/We)
- AF-Modules, only individual coaching
- AF-Modules, special timetable
- AF-Modules, RMG special timetable, in the mountains
- AF-Modules, IMF or RMG (only Thursday and Friday)
- AF-Modules, extra power (Monday through Friday)

CW Calender Week
SW Semester Week

* Together with AF-54 in the beginning, only eligible for IMF
