

## Publikationsliste Jürgen Blaser

1. Blaser J, 1984. El parametro "tendencia del arbol". Una propuesta para clasificar arboles cualitativamente. *El Chasqui*, 5 (6), 22-25.
2. Blaser J (ed.), 1985. Una metodologia para ensayos de germinacion para arboles menos conocidos en los tropicos, San José, Costa Rica.
3. Blaser J, 1987. Standörtliche und waldkundliche Analyse eines Eichen-Wolkenwaldes (*Quercus* spp.) der Montanstufe in Costa Rica. *Göttinger Beiträge*, 26, 235.
4. Blaser J, 1988. Sylviculture I. Cours universitaire 2ème cycle, 3ème an, Antananarivo, Madagascar.
5. Blaser J, 1990. Sylviculture III. Cours universitaire 2ème cycle, 5ème an, Antananarivo, Madagascar.
6. Blaser J, 1994. Zur Frage der nachhaltigen Nutzung von Tropenholz und der Sozialverträglichkeit der Tropenholznutzung. Conference Paper.
7. Blaser J, 1995. Bedeutung und Problematik der Waldnutzung in Nord und Süd, unpublished. Swiss Parliament, Bern, Switzerland.
8. Blaser J, 1995. La sylviculture de forêt naturelle en zone tropicale. Forestry School Press, Antananarivo, Madagascar.
9. Blaser J, 1995. Ou en sommes-nous en sylviculture tropicale? Réflexions sur l'aménagement sylvicole en forêt tropicale humide. *Akon Ny' Ala (Journal Forestier de Madagascar)*, 16, 2-14.
10. Blaser J, 1996. Gestion et exploitation durable. La gestion sylvicole en foret tropicale humide.
11. Blaser J, 1996. Silvicultural considerations of listing timber species in appendices I, II and III of CITES. Background Document TWG 02.08, unpublished. CITES timber working group, Panama.
12. Blaser J, 2000. Die Welt braucht Wald - Braucht die Welt Forstwirtschaft. *Schweizerische Zeitschrift für Forstwesen*.
13. Blaser J, 2002. Point of view - ITTA and local level development. *Tropical Forest Update*, 12 (4), 21-23.
14. Blaser J, 2002. Tropenholznutzung und Waldzerstörung. *Neue Zürcher Zeitung*, 25.04.2002.
15. Blaser J, 2005. Revised ITTO criteria and indicators for the sustainable management of tropical forests, including reporting format.
16. Blaser J, 2009. Nicht auf dem Holzweg. Zum Engagement des Staatssekretariats für Wirtschaft (seco) im Bereich Tropenholz und Tropenwald, unpublished. SECO; Intercooperation, Bern, Switzerland.
17. Blaser J, 2010. Forest law compliance and governance in tropical countries. A region-by-region assessment of the state of forest law compliance and

- governance, and recommendations for improvement, unpublished. FAO, Rome, Italy.
18. Blaser J, 2012. Strategic evaluation of FAO's role in forests and forestry.
  19. Blaser J, 2013. Strategic evaluation of FAO's role in forests and forestry.
  20. Blaser J, Bruenig EF, 2002. Tropenholz - ist die Zukunft schon Vergangenheit? Holz-Zentralblatt, 64/65, 779–782.
  21. Blaser J, Camacho M, 1993. Estructura, composicion y aspectos silviculturales de un bosque de robles (*Quercus* spp.) del piso montano en Costa Rica. Coleccion Silvicultura y Manejo de Bosques Naturales, Turrialba, Costa Rica.
  22. Blaser J, Carter J (eds.), 1997. Towards the sustainable management of tropical forests. The collaborative approach to forest management, Haikou, China.
  23. Blaser J, Carter J, Gilmour D (eds.), 1998. Biodiversity and sustainable use of Kyrgyzstan walnut-fruit forests.
  24. Blaser J, Chipety ME, Illuenco J, Lobovikow M, Umali RM, 2014. Independent assessment of the international arrangement on forests (IAF). Report of the team of independent consultants, New York, USA.
  25. Blaser J, Claussi A, Marmillod D, 1993. Descripcion silvicultural de las plantaciones forestales de Jenaro Herrera, Iquitos, Peru.
  26. Blaser J, Claussi A, Marmillod D, 1994. Choix des essences pour la sylviculture a Madagascar. Akon Ny' Ala (Journal Forestier de Madagascar), 13 (14), 3–112.
  27. Blaser J, Davenport D. Global forest politics and a legally binding agreement on all types of forests. Working document, unpublished.
  28. Blaser J, Davenport D, 2009. Global forest politics and a legally binding agreement on all types of forests. Working document for the Swiss Federal Office for the Environment.
  29. Blaser J, Diaz M, 1986. Efecto de cuatro métodos de transplante en el desarrollo de *Parkia velutina* durante los primeros seis meses de plantacion. Revista Forestal del Peru, 13 (2), 75–83.
  30. Blaser J, Douglas J (eds.), 1998. Global economic trends and implications for the international timber market.
  31. Blaser J, Douglas J, 2000. A future for forests? Issues and implications for the emerging forest policy and strategy of the World Bank. Tropical Forest Update, 10 (4), 9–14.
  32. Blaser J, Forner C, Jotzo F, Robledo C, 2006. Keeping the forests for the climate's sake: avoiding deforestation in developing countries under the UNFCCC.
  33. Blaser J, Gregersen H, 2013. Forests in the next 300 years. *Unasylva*, 64 (240), 61–73.
  34. Blaser J, Gregersen H, El Lakany H, 2014. Global forest and forest utilization challenges over the past quarter century. IUFRO World Forestry Congress. Reviewed articles.

35. Blaser J, Hussein SA, 2000. The World Bank: Mitigating natural disasters through effective forest and non-forest sector policies, unpublished. IUCN, Amman, Jordan.
36. Blaser J, K uchli C, 2005. Forests and decentralization in Switzerland. A sampling. Earthscan.
37. Blaser J, K uchli C, 2011. Globale Walderhaltung und -bewirtschaftung und ihre Finanzierung: eine Bestandesaufnahme. Schweizerische Zeitschrift f ur Forstwesen, 162 (4), 107-116.
38. Blaser J, K uchli C, 2011. Schweizer Waldpolitik - zwischen internationaler Verantwortung und nationalen Interessen. Schweizerische Zeitschrift f ur Forstwesen, 162 (4), 96-106.
39. Blaser J, Poore D, Sarre A, Hanakura S, 2006. Status of tropical forest management 2005, Yokohama, Japan.
40. Blaser J, Rakotomanana JL, 1990. Zones de reboisement   Madagascar. Proposition d'une classification et du choix des essences foresti res. Akon Ny' Ala (Journal Forestier de Madagascar), 5, 5-13.
41. Blaser J, Robledo C, 2007. Initial analysis on the mitigation potential in the forestry sector, Bonn, Germany.
42. Blaser J, Robledo C, 2008. Key issues on land use, land use change and forestry (LULUCF) with an emphasis on developing country perspectives. UNDP.
43. Blaser J, Robledo C, 2008. Key issues on land use, land use change and forestry (LULUCF) with an emphasis on developing country perspectives. Environment and Energy Group, New York, USA.
44. Blaser J, Robledo C, 2008. Questions cl es de l'utilisation des terres, changement d'affectation des terres et foresterie ax es sur les perspectives des pays en d veloppement, New York, USA.
45. Blaser J, Robledo C, Schmidt K, Byrne S, 2008. Climate change and governance in the forestry sector - an overview on the issues of climate change with specific consideration of sector governance, tenure and access for local stakeholders. Rights and Resources Initiative, Washington DC, USA, Oslo, Norway.
46. Blaser J, Sarre A, Poore D, Johnson S, 2011. Status of Tropical Forest Management 2011, Yokohama, Japan.
47. Blaser J, Sarre A, 2010. Forest law compliance and governance in tropical countries: A region-by-region assessment of the status of forest law compliance and governance in the tropics, and recommendations for improvement. International Tropical Timber Organization.
48. Blaser J, Sist P, Pacheco P, Nasi R, 2014. Management of natural tropical forests in the past, present, and projections for the future.
49. Blaser J, Thompson I, 2010. Sustainable forest management. Discussion paper to the attention of the meeting of the Collaborative Partnership on Forests, unpublished, New York, USA.

50. Blaser J, Tziza G, 1989. Premières observations sylvicoles sur *Ramy* (*Canarium madagascariensis*). *Akon Ny' Ala* (Journal Forestier de Madagascar), 2, 11–23.
51. Blaser J, Zabel A, 2015. *Forest crime in the tropics*. Springer, Berlin, Deutschland.
52. ITTO (International Tropical Timber Organization), 2002. *Guidelines for the restoration, management and rehabilitation of degraded and secondary tropical forests*.
53. ITTO (International Tropical Timber Organization), 2006. *Status of tropical forest management 2005*.
54. WB (World Bank), 2005. *Forest law enforcement, improvement of governance (FLEG) and trade in forest products. Reference Paper to the Europe and north Asia FLEG Process (ENA-FLEG)*, Washington DC, USA.
